

**PRODUCT DATA SHEET: EP GREASE NLGI 00**

EP GREASE NLGI 00 is a high quality multi purpose lithium EP grease.

EP GREASE NLGI 00 is composed of a lithium thickener and highly refined base stocks fortified with Extreme Pressure additives.

EP GREASE NLGI 00 offers excellent EP properties, has a high load carrying capacity, protects against corrosion and shows an exceptional mechanical stability.

EP GREASE NLGI 00 is intended for use in central lubrication systems, offering excellent protection against high pressure, high working temperatures, irregular shock loads and wet and dirty conditions.

EP GREASE NLGI 00 is suitable for use in a temperature range of -30°C up to 100°C.

EP GREASE NLGI 00 can be used for the lubrication of highly loaded bearings in industrial- and agricultural equipment, wheel bearings on trucks and trailers.

TYPICAL PROPERTIES:		SPECIFICATIONS:
Product Code	04301	Exceeds: ISO 6743-9: L-XCBEB00 DIN 51502: GP00G-30
Consistency	NLGI 00	
Dropping Point	160°C	
Colour	Brown	
Base oil viscosity@ 40/100°C	280/20 mm <sup>2</sup> /s	
Penetration 60 strokes	400-430
