

PRODUCT DATA SHEET: EP GREASE NLGI 2

EP GREASE NLGI 2 is a high quality multi purpose lithium EP grease.

EP GREASE NLGI 2 is composed of a lithium thickener and highly refined base stocks fortified with Extreme Pressure additives.

EP GREASE NLGI 2 offers excellent EP properties, has a high load carrying capacity, protects against corrosion and shows an exceptional mechanical stability.

EP GREASE NLGI 2 can be easily pumped, offering excellent protection against high pressure, high working temperatures, irregular shock loads and wet and dirty conditions.

EP GREASE NLGI 2 is suitable for use in a temperature range of -30°C up to +110°C.

EP GREASE NLGI 2 can be used for the lubrication of highly loaded bearings in industrial- and agricultural equipment, wheel bearings on trucks and trailers.
